

## Schedule Clinical Genetics

09.00 – 09.45 Introduction to Clinical Genetics (*online live*)  
10.00 – 12.00 Chromosomal aberrations (prerecorded)  
13.00 – 15.00 Monogenic inheritance (prerecorded)

15.30 – 16.30 Genetic counselling (prerecorded)

09.00 – 10.30 Inherited neuromuscular diseases (prerecorded)  
10.15 – 11.30 Inherited metabolic diseases (prerecorded)  
12.30 – 14.00 Prenatal diagnosis (prerecorded)  
14.30 – 16.00 Syndrome diagnostics (prerecorded)  
16.00 – 16.30 Q&A session (*online live*)

09.00 – 10.00 Inherited cardiovascular diseases (prerecorded)  
10.30 – 11.30 Inherited aortic diseases (prerecorded)  
12.30 – 14.00 Inherited cancer (prerecorded)  
14.00 – 14.30 Q&A session (*online live*)  
14.30 – 16.30 Preparation time for genetics seminar

08.30-12.00 and 13.00-16.30

Group seminar in Clinical Genetics/Ethics seminar (PU).

09.00 – 09.30 Q&A session (*online live*)  
09.30 – 10.30 Genetics and leukemias (prerecorded)  
10.45 – 12.00 The future of precision diagnostics (prerecorded)  
13.00 – 14.00 Examination (*online live*)
