# The dental school

# The dental school

- The school relocated from mulago national referral hospital which is the main training hospital, for makerere college of health sciences.
- This has given the school more room for expansion and enough space to accommodate the increasing number of students admitted into the dental surgery course.

# Uganda and kampala the city

- It not a surprise Uganda is labeled the pearl of Africa, with the beautiful natural resources
- Therefore if u have been to Uganda then you don't need to see another African country and if u haven't been to Uganda then you havent been to Africa 😊

The beautiful scenery, rift valley , gameparks and water fall as well the source of the **R.nile**.
